

FISCAL NOTE

TO: Chief Clerk of the Senate
Chief Clerk of the House

FROM: James A. Davenport, Executive Director

DATE: February 5, 1996

SUBJECT: **SB 2824 - HB 3014**

This bill, if enacted, will prohibit raising and stocking of rockfish, Cherokee bass and other hybrid thereof or alewife within the boundaries of Anderson County.

The fiscal impact from enactment of this bill is estimated to result in an increase in state expenditures for travel cost associated with using another hatchery to stock striped bass in other East Tennessee Reservoirs; however, such increase cannot be determined but can be estimated to be not significant.

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.
